

Community Workshop: Preferred Plan and Policy Direction

When: Thursday, May 15, 2008 – 6:00 p.m. to 8:00 p.m.

Where: Teton Science School, Jackson Campus

Objectives:

- 1 Present preferred plan and policy direction
- 2 Discuss draft preferred land uses (countywide) and policy direction at workstations
(Note: Town Charrette on May 14th will focus on town design, land use, and policy questions.)
- 3 Give public an opportunity to hear information and comment through Summer '08.

Proposed Format/Agenda:

- **6:00 – 6:30: Presentation**
Presentation will orient participants to draft "Preferred Plan" and maps and "Themes and Policies – Outline," and give brief overview of where we are in the process, including town planning effort, and how public can continue to comment through Summer '08.
- **6:40 – 8:00: Workstation discussion and comments**
Tables will be set up with focus on different topics, such as:
 1. Preferred plan and land use (county)
 2. Town of Jackson subareas
 3. Stewardship of wildlife and natural areas,
 4. Growth management,
 5. Transportation,
 6. Community housing,
 7. Sustainable and balanced community,
 8. Utilities and other topics.
- **Individual comments**
Individuals will have the opportunity to comment with a comment form or on-line on draft materials through Summer '08.
